Can you master those skills? Then the Kite School is for you. Apply online now.

The summer school is in Newquay so you will spend plenty of time on the beach learning how to fly your kite. When you have learned how to do that, we will have a competition and there are prizes that you can win. There are some indoor activities if it rains.

If you want to have fun, make new friends and learn new skills, the UK's first kite-flying academy is the place to go.

So, why should you attend Kites for Kids? You will experience the thrill of launching your very own kite into the powerful wind and feel it tug and pull and twist as it tries to whip it away from you. It is also a great way of keeping fit!

We are especially pleased to announce that the Kite Runner himself will be judging the final competition at the end of the summer school.

Situated in the stunning Derbyshire hills between Buxton and Castleton, the academy is easy to get to and makes sure there is plenty of wind for the kites. Unlike some events on offer this summer, the comfortable, all-inclusive accommodation is very reasonably priced.

Although the academy is open to anyone under the age of 16, unfortunately, children below the age of 8 cannot attend. This is due to health and safety reasons.

Once you have experienced kite flying you'll want to come back again next year too! So, don't let this great opportunity fly away!
